

Sonia Audhali, Midwife, Arch Mullin, with her son at their home in West Bromwich, April 2012

Sonia Audhali Little Yemen

Sat 9 Feb – **Sun** 14 Apr 2013 | Open 9am-10pm daily | Free entry

Preview and Book Launch | Thu 7 Feb, 6-8pm

Little Yemen is a sensitive portrait of a West Midlands community in transition. As a British Yemeni born and raised in England, Sonia Audhali's photographs exhibit not only an image of one nation and its culture integrating with another, but also a trace of autobiography.

Audhali's identity as both British and Yemeni instinctively influences her approach to capturing a dual heritage of which there is little in the way of published evidence in the UK.
